Patron: The Honourable Justice Gordon AC

Dear Colleague,

It has been another busy 12 months in the life of the Peter O'Callaghan QC Gallery.

The Gallery unveiled commissioned portraits of the Hon Susan Kenny AM by Marie Mansfield and the Hon Kate McMillan by Jenny Watson. These, as well as portraits of Michael Dodson AM by James Henry, Remy van de Wiel KC by Katsuya and the Hon Ken Marks by Deborah Russell have been hung. Portraits of the Hon John Middleton AM KC by Rick Amor and Peter Jopling AM KC by Louise Hearman will be unveiled later in the year.

'Works in Progress' include Her Excellency the Hon Linda Dessau AC by Yvette Coppersmith, the Hon Geoffrey Nettle AC by Jude Rae and photo portraits of Nimal Wikramanayake KC and Barbara Hocking OAM, in the latter case recognising her very significant contribution to the legal recognition of native title and the framework for the *Mabo* case.

For Law Week 2023, the Gallery hosted a fascinating public lecture by Emeritus Prof. Jenny Hocking on *Royal secrecy and the dismissal of the Whitlam government: The Palace letters*.

None of the above would have occurred without generous donations from members of the Bar. Donations are **tax deductible** and can be made [here](#) or by completing the attached form.

In accordance with our past practice, we are always interested to hear from you regarding the members of the Bar whose portraits you believe should be championed. To that end it is important to remember that our portraits are principally funded by private donations. We refer to the Foundation's Acquisitions and Commissioning Protocol which can be found on the Bar's website.

We urge you to consider a donation: for new commissions, and so that works can continue to be commissioned and our Bar and the work of its members can be acknowledged and celebrated.

Yours sincerely,

Philip Solomon KC
Chair, Peter O'Callaghan QC Gallery Foundation
