Welcome from Conference Committee

Let's wind the clock back to 1982 – The Boeing 757 operated its first flight, Michael Jackson's Thriller album was released, Argentina invaded the Falkland Islands / Malvinas, NASA's STS-3 mission launched, the Air Transport Group of the Government of Australia's Department of Transport became a separate government department in its own right as the Department of Aviation, Steven Spielberg's ET was released, the Sydney Harbour Bridge celebrated its 50th anniversary, NZ won back the Bledisloe Cup from Australia, appeals from the State Supreme Courts to the Privy Council were abolished, making the High Court of Australia the final court of appeal, and importantly . . . The first ALAANZ Conference was held!

Fast forward to 2024, and it is my privilege to welcome you all to our 40th ALAANZ Conference. This year, we will gather at the stunning Emporium Hotel, Southbank, Brisbane to embark on a journey of knowledge exchange, connection, reflection, and celebration of four decades of excellence in aviation law under the theme "Looking Forward / Looking Back".

While this year's conference will provide ample opportunity for us to connect and reflect on the past, it will also ask you to look forward to the future through our exceptional conference program. In 2024, the conference will be delivered by a gathering of incredible legal professionals, industry experts, and thought leaders each of whom play a pivotal role in advancing the fields of aviation - insurance, sustainability, investigation and regulation, and law - aviation, space and insurance.

Our welcome reception and conference lunches feature stunning locations to enjoy the company of your colleagues and conference delegates. The conference dinner, set against the backdrop of the beautiful Brisbane River and Story Bridge, will be held at the award-winning Alchemy Restaurant, and will serve as a relaxed platform to network, recognise and celebrate the milestones of our ALAANZ journey and the enduring strength and resilience of the association, its committed volunteers, members, supporters and sponsors.

In closing, and in keeping with this year's conference theme of "Looking Forward / Looking Back", I'd like to reflect on the words of the then, Chief Justice Paul de Jersey AC, who delivered the 2003 conference opening here in Brisbane, noting that they are just as relevant today as they were 21 years ago:

"In 1908, Wilbur Wright said, in a speech to the Aero Club of France: "I confess that in 1901, I said to my brother Orville that man would not fly for fifty years . . . ever since, I have distrusted myself and avoided making predictions." Just as advances in air travel itself have surpassed all expectations, the irrepressible development of aviation law has been equally unpredictable. Your attendance at and contribution to this gathering perpetuates that development . . . there are many areas worthy of your detailed consideration over the coming days. I encourage your involvement and commend you on your worthy attention to this important legal field."

See you in May!
