

# Supervision – Reflection as an art – what, how, why?

REGISTER  
NOW

*Focusing on professional clinical supervision, the session will explore how we can develop and grow as practitioners using different types of supervision.*

Participants will hear the discussion between Jodie Grant and Michael Lang highlighting the distinctions between the different types of professional supervision and on how to demonstrate these. Participants will get an opportunity to contribute and discuss and address key questions

**Monday 8 November 2021 |  
6pm - 7pm AEDT | Online**

This workshop is for all professional DR clinical practitioners who want to develop and grow as practitioners.
