

INDIGENOUS SECONDARY SCHOOL STUDENTS

WORK EXPERIENCE APPLICATION FORM

A five (5) day work experience program is available for Indigenous secondary school students through the Victorian Bar. The program is open to any Indigenous secondary school student in Year 9 onwards who is considering a career in the Law.

Participating students will be introduced to a barrister working in an area of the law that might be of interest. Before the program commences, the barrister will speak with the teacher responsible for work experience at your school to ensure that he or she can plan the week's activities to suit both your school's requirements and your areas of interest.

If you would like to apply for the program, please provide us with some brief details below. We'll only use the details to contact you and the school about the offer of work experience.
