

VICTORIAN BAR

JACOBS **Timothy Olsson**

The President and members of the Victorian Bar extend deepest sympathy to the family of Tim Jacobs. A Monash Honours Law graduate, Tim was a solicitor at Minter Ellison; Associate to Justice Olney in the Federal Court; then practised at the Bar 17 years until his illness prevented him. He served the community of the Bar on the Industrial Bar Association Committee and as its Secretary. He quickly became a sought-after Junior to Leaders of the Industrial Bar; and, both as a Junior and alone, regularly appeared in the Supreme and County Courts, the Federal Court and the Fair Work Commission. He was a very good footballer for many years with the Olinda Ferny Creek Club.
